## GENERAL INFORMATION AND INSTRUCTIONS

The Mayor will ask for comments from the public, requesting that anyone desiring to speak on an item. When recognized by the Mayor, please approach the podium and speak into the microphone, stating your name, address, if you are a citizen that lives in the Groveland City limits, and then present the information you desire. Each person has a maximum of five (5) minutes to speak.

Items listed in the "Consent Agenda" will be approved by Council in their entirety by a single motion, unless otherwise indicated by Council. These are routine items not anticipated to be controversial and are placed on the Consent Agenda to expedite the meeting. If a Council Member, staff member or member of the public wishes to discuss any item on the Consent Agenda, they can request the item be removed from the Consent Agenda for discussion. The remaining items on the Consent Agenda will be voted on with one motion being made for all items on the Consent Agenda. Then the item removed from the Consent Agenda will be separately considered and voted on.

Items identified with a double asterisk (\*\*) are quasi-judicial functions of the City Council other than land use; the Council Members disclose any ex parte communications.

**Groveland Code of Ordinances Sec. 2-58 (f).** Any person desiring to address the Council shall first secure the permission of the presiding officer and shall give his name and address for the record. All remarks shall be addressed to the Council as a body and not to any member thereof unless permission to do so is first granted by the presiding officer. Unless further time is granted by the presiding officer or the council, member of the public shall limit their discussion or address to no more than five minutes. No question shall be asked a council member or city official except through the presiding officer.

If your address is exempt from public record you are not required to state it. In addition, do not give out your Social Security Number, phone number, email address or any other information you do not want others to have access to as the meetings are recorded and those recordings are considered public record.

**Pursuant to the provisions of Chap. 286, F.S., Sec. 286.0105,** if a person decides to appeal any decision made by this body with respect to any matter considered at this meeting, he or she will need a record of the proceedings, and that for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made, which record may include the testimony and evidence upon which the appeal is to be based and is advised to make such arrangements at his or her own expense.
