RFQ No. 2011-05 Professional Architectural Consulting Services

1. Do we need to include a copy of our insurance policy or is that only for when a firm has been officially selected?

They need to include in their proposal that they understand the insurance requirements as outlined. They don't need to provide the actual policy until a firm has been officially selected.

2. Do tabbed dividers and the front/back covers count in the fifty page county limit?

No, the dividers and covers do not count.

3. I want to clarify the amount of proposals that need to be submitted. Is it 1 original and 4 copies to make a total of 5?

It is one original and 3 copies for a total of 4. Section 3.7 has a typo. It states one (1) original and five (3) copies. Should say three.
